

SPONSORS/T-SHIRT AD

Please keep the following things in mind when working on this fundraiser:

- Use your contacts! Nothing beats a personal contact to get your foot in the door.
- Think of family members or friends who own their own businesses.
- Think of small businesses you frequent or businesses that might have a close connection to homeschooling, football or cheer.
- PLEASE DO NOT contact larger businesses. We do not want to bombard, say, MARDEL, with 22 requests for money! We also do not want to overstep or attempt to double dip if the football team has contacted a certain business regarding a donation. The cheer leadership will contact these types of businesses personally and on behalf of the entire team. If you are uncertain about whether you should contact the business or not, just ask.
- If you have a personal contact within a larger business, please see Natalie or Kathy so we can work with you.
- Forms and checks (MADE PAYABLE TO PHS, Inc.) are due May 3, 2011 (the last day of fundamentals camp).

When approaching an individual or business:

- Be friendly, but PROFESSIONAL!!!
- Remember that you not only represent yourself, but PHS CHEER and PHS FOOTBALL by association.

Fifty percent of the monies obtained by you through this contact will be credited to your account.
